Dear Judge Hurley:

I write  
to request your intervention in  
two matters of concern. 1)  
I request a writ be issued  
to bring me ~~back~~ to a "local  
facility" so that I can meet  
and consult with counsel  
STACBY Richmond.

I was in the MCC a week ago - When she filed for a stay, yet was abruptly transferred here. I ask this court to order me moved to any local facility so that I can attempt to seek or obtain her representation in this case.

2) I have repeatedly wrote to MS. Zwilling [defense counsel] seeking the best of discovery. I also wrote the Hon. Magistrate Judge Orenstein. I receive no response from MS. Zwilling and my letters to the court for relief are denied

as ex parte Communications.

It is unfair that I am having to have my relief sought denied because defense counsel has not received a copy of a letter, the court has.

As this court is aware I have been moved repeatedly over & over between different institutions. And I don't always have my legal work with these address available to mail things to. Like now, I'm in a holdover / transfer facility with no access to my legal work ~~or~~ even a pen...

Moreover I am pro se which creates numerous problems in & of itself. The federal court in manhattan does send my correspondence to the defendants because of the problems pro se litigants face.

"My case has been allowed to languish in the wind since 2002 and its simply not fair. In sum I request to be brought to a local facility to meet and attempt to obtain counsel and allow counsel to view the necessary discovery - The (EDNY) Marshals still have and not yet

returned from my criminal  
case.

Also I request this case  
be moved toward trial and  
the rest of discovery be turned  
over by defendants.

Thank you  
for your time & consideration.

Sincerely  
Dometrius Hill
